# FRAZIER FOR MAYOR

I have been your Mayor for 15 years and a board member of the Regional District of Fraser Fort George for 15 years. I have been on many other boards and associations during my service as your Mayor:

- Board member of the North Central Local Government Assoc.
- Northern Development Initiative Trust Regional Advisory Committee
- Former Omineca Beetle Coalition Board Member
- McBride Community Forest Board Member
- Council of Forest Industries Community Representative
- Regional Hospital District Community Representative
- Former Forest Minister's Task Force Community Representative
- BC Hydro Robson Valley Task Force Committee Member

In 2012, I was honoured to be awarded the Queen Elizabeth II Diamond Jubilee Award Medal as recognition of my service to Canada.

With your support, I pledge to continue our work on:

- Economic Development and job creation strategies
- Strengthening our partnership with the Chamber of Commerce
- Further develop the Village of McBride communications plan, to better keep in touch with the residents and provide information – new website, Facebook, etc.
- Continue to pursue grant programs and forward Village plans to improve our infrastructure for today and well into the future

I want to assure everyone in this community that I have always, and will always, work to ensure that the best interests of every resident and taxpayer are at the forefront of every discussion, vote and meeting.

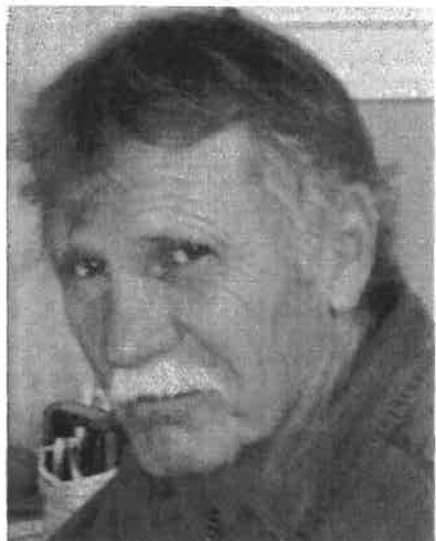

Democracy is a team effort and credit is given equally to all who participate, to help us to prosper and make our community a better place. Our village is financially solid and strong, thanks to the current and previous progressive, responsible councils and administration. I appreciate all of their contributions.

Many communities (large and small) are struggling. This town is not a "racehorse", it is a "workhorse". We must continue to work diligently to lay the groundwork to get through the difficult times and take strides to ensure we are solid, strong and stable when we arrive at our destination; and I believe, we will get there.

If re-elected, I am prepared to work with whomever the voters elect to council and look forward to continue working for the betterment of our village.

I appreciate your support.

**Yellowhead Ski Club News**

Cross-country ski season is almost upon us and it's time to register for the club! The Belle Mountain Ski trails, maintained by the Yellowhead Ski Club, will be up and running once we have a solid base of snow on Belle Mountain packed and track set. While we wait for the white stuff, you can check out our Facebook page at Facebook.com/Yellowheadskiclub and see the latest news and conditions for the trails as well as download Membership applications forms. You can also pick up Membership forms from the McBride and District Public Library. We have a new outhouse installed at the Belle Mountain parking lot! The Club would like to thank Elaine Gillette with the Ministry of Forests, Lands and Natural Resource Operations for donating the structure and McBride Community Forest for transporting and installing the outhouse. A special shout out to Bob Elliot! The ski club greatly appreciates this ongoing support. Without these partners the ski club would not be able to provide the Robson Valley with quality cross-country ski trails through the winter - so, thank you very much. More ski club news to come in the near future.

**Election Accountability Question #1:**  
Which people won the last election by promising 300 jobs from EcoTech, a shady penny-stock company that has never operated an actual manufacturing plant? And repeatedly winked and dined themselves and the EcoTech owner on taxpayers' money? [Paid Ad]

**Election Accountability Question #3:**  
Which people have turned the Community Forest, which should be a community asset, into a province-wide laughingstock that benefits only a handful of people? And is never, ever discussed at Village Council? [Paid Ad]

**Election Accountability Question #5:**  
Which people stopped the Library/Museum expansion project (which would have revitalized our downtown and not have cost local taxpayers a dime) out of personal spite against one local building owner? [Paid Ad]
