## MCBRIDE HEALTHIER COMMUNITIES

**McBride Healthier Communities** - Attention Residents of McBride and surrounding areas. Would you like to participate in a fun, interactive way to improve your health? Simply go to [www.healthacular.com](http://www.healthacular.com), log in, and record your hours of activity and relaxation. Hours of activity will be converted into number of steps, and participants can watch as they walk across Canada on a virtual map, as well as monitor how well the community is doing as a group. Participants can come to the McBride and District Hospital front office and pick up a goodie bag to help you get started! The community of Valmont is also recording their number of steps and have challenged McBride to a friendly, fun competition this winter. Which community can record the biggest number of steps? Don't forget to like us on Facebook, McBride Healthacular, and share what you are doing to stay active! This project is a partnership between the Village of McBride and Northern Health.
