THANK YOU

Marian McNaughton's family offer a very sincere thank-you to this wonderful Robson Valley community. Thank-you, first, to the staff at the McBride Hospital who cared for our mom, grandma, great-grandma (GG), the past 5 1/2 years. The way you cared for Grandma and us has been very much appreciated. We also remember with special gratitude, the care and respect our homecare workers offered us in the time they helped us care for her at home. Thank-you to our wonderful friends and neighbours who helped in ways too numerous to detail here. The Dunster Fine Arts School building was appreciated by our family as we feasted on "Grandma's casserole", played with her great grandkids & reminisced. A special thank-you to Craig & Tonya Arnold and the Evangelical Free Church community for the use of your building, and to Linda Wood who organized the kitchen for the army of folks supplying and serving "farmers' coffee" after the funeral service. Thank you, thank you, thank you! -Chuck & Kelly, Marg & Ivan, George & Joan, Ken & Kim, and families.

Movie night has returned**

better than ever!!!! Our new projector and surround sound system is installed and ready for your enjoyment! Come out on Friday, January 23 for an evening of entertainment and support the school.

4:30 - Home on the Range - Alameda Slim, a wanted cattle rustler, uses an alias to buy up properties all over western Nebraska, and his next target is the Patch of Heaven dairy farm, where the widow owner cares more for her 'family' of yard animals's welfare than for profit, so she just hasn't got the cash to keep in business. The other animals, mainly carefree youngsters, being unable, three cows of very different temperament and manners rise to the desperate occasion and set out to do battle for their dream home, teaming up unnaturally with each-other, the sheriff's megalomaniac horse and any other animal who can possibly help, even a crazy lucky rabbit and an invincible buffalo, hoping to beat the crook to the Patch's auction, or anything it takes...(76 minutes).

7:00 - Jaws - It's a hot summer on Amity Island, a small community whose main business is its beaches. When new Sheriff Martin Brody discovers the remains of a shark

attack victim, his first inclination is to close the beaches to swimmers. This doesn't sit well with Mayor Larry Vaughn and several of the local businessmen. Brody backs down to his regret as that weekend a young boy is killed by the predator. The dead boy's mother puts out a bounty on the shark and Amity is soon swamped with amateur hunters and fisherman hopping to cash in on the reward. A local fisherman with much experience hunting sharks, Quint, offers to hunt down the creature for a hefty fee. Soon Quint, Brody and Matt Hooper from the Oceanographic Institute are at sea hunting the Great White shark. As Brody succinctly surmises after their first encounter with the creature, they're going to need a bigger boat. (124 minutes). Jaws has been digitally remastered to 12 time the resolution of a DVD and with 7.1 surround sound - come out and experience an old classic in way never before possible! It's sure to take a bite out of your plans to go swimming in Mexico during the February break! Tickets are \$5.00 at the door. Concession available.
