Thank You from Mayor & Council!

We want to take this opportunity to thank everyone who assisted in the evacuation. We were extremely impressed with the community in once again, demonstrating how lucky we are to have such kind and compassionate people walking among us.

The fire fighters, the RCMP, hospital staff, Village staff, LDM staff, RDFFG staff, MCFC staff, and their family members. All of those working behind the scenes and the many other offers of assistance from the public. Kevin Taphorn from Husky, Dutch and Brenda, the Heartland Restaurant staff, Donna from the Beanery for feeding so many hungry citizens and keeping us all supplied with coffee! Last but not the least, former Council and some of their family members, This was one of the best examples of a community spirit, of everyone having and knowing their jobs and pulling together. Every single person made a difference.

Almost all of the comments we have received are that people felt that the situation was well-handled and definitely a job well-done.

We got out without any serious injuries and next to no damage as a result of the leakage. It was a good lesson and we certainly learned how fluid an emergency like this can be.

We especially want to thank everyone from the Seventh Day Adventist Church for assisting in our hour of need. From the ladies for cooking breakfast for so many people to the kind man who stood for hours acting as door-man. We appreciate their suggestions and their offer that they are more than willing to sit down with us and discuss plans should there be future emergencies.

We are expecting a report from Regional District staff after they investigate and we will have an update at that time.

Again, THANK YOU!

Mayor & Council
