IN LOVING MEMORY

In Memory of my mom...

There was a time when I was younger I use to believe that people didn't need their moms so much after you grew up. But then I grew up and realized that just isn't true...When your mom dies it doesn't matter how old you are - you still feel like an orphan...I believe it's because you've lost your "guiding Star". So many times when something happens that I know you would enjoy...I'd wish you were here to share it with me..."Just to feel that special glow." You were the one I always turned to when everything went wrong - you were the one that made me stand up and be so flippin strong...You were so easy to take for granted...I knew you were always "there". Until the day she wasn't and I discovered life truly isn't fair...No one understands how much I miss you...No one knows the bitter pain...I've suffered since I've lost you, life has never been the same...Surrounded by friends "I'm lonesome"...In the midst of joy "I'm blue"...With a smile on my face "I've a headache"...Longing for one more day with you...In my heart your memory lingers sweet, tender, fond and true...There is not a day goes by that I'm not thinking of you...And so here I sit once again Remembering the things I miss...And this year just like last year I make a special wish...Please just one more "Lets make a Deal" with that special cup of "tea". Just one more special moment for just you and for me...You left me beautiful memories and your love is still my guide...I miss you mom - but I know you're always by my side...Please give big Hugs to Dad, Carrie, Terri, Coleen, Raymond, Robert, Corney and Margaret for us. We miss you all so much... Love Lyn.

The Fountainview Academy Orchestra and Singers presents

Lift Him Up

A Live Concert
at the

Roundhouse Theatre
 McBride Secondary School
 Thursday, April 9, 2015 at 7:30 PM
 Free Admission

Fountainview Academy is a boarding school south of Lillooet where music is not just a part of the life of the eighty-five students, it is essential to the learning process. The non-profit Christian academy puts a significant emphasis on music, with every single student taking part in the school's world-class orchestra and choir, or both.

The orchestra and singers have made 12 professional albums and several DVD's. They have also made numerous appearances on national and international television networks. The reputation of the orchestra and singers is demonstrated by their highly sought after concert performances.

"We were down at the Abbotsford Pentecostal Assembly last Christmas season, and the kids created a traffic jam. You couldn't get within four blocks of that place, and we turned 200 cars away," said the school's music director Craig Cleveland. "It's thrilling to be a part of something that audiences love to come and hear."

You are invited to attend this FREE continuing series of presentations
