MOVIE NIGHT

The live Different Club at MCBS is looking for your support and invites you to a movie night Friday, June 19:

4:30 - *Cinderella* - (105 min.) A girl named Ella (Cinderella) has the purest heart living in a cruel world filled with evil stepisters and an evil stepmother out to ruin Ella's life. Ella comes one with her pure heart when she meets the prince and dances her way to a better life with glass shoes, and a little help from her fairy godmother, of course.

7:00 - *Insurgent* - (119 min.) One choice can transform you-or it can destroy you. But every choice has consequences, and as unrest surges in the factions all around her, Tris Prior must continue trying to save those she loves--and herself--while grappling with haunting questions of grief and forgiveness, identity and loyalty, politics and love. Tris's initiation day should have been marked by celebration and victory with her chosen faction; instead, the day ended with unspeakable horrors. War now looms as conflict between the factions and their ideologies grows. And in times of war, sides must be chosen, secrets will emerge, and choices will become even more irrevocable--and even more powerful. Transformed by her own decisions but also by haunting grief and guilt, radical new discoveries, and shifting relationships. Tris must fully embrace her Divergence, even if she does not know what she may lose by doing so.
