THANK YOU

Museum Purchases lots

The group pursuing a new location for the McBride and District Public Library and Valley Museum and Archives got one step closer to their goal last week. On Wednesday, July 15th, the Valley Museum and Archives, along with the support of the McBride & District Public Library, purchased the two empty lots adjacent to 521 Main Street. Funding for the purchase came from unrestricted funds generated through multiple fundraising efforts. Funds designated specifically for the purchase of 521 Main Street remain untouched. Joel Zahn, Chair of the committee established by McBride Village Council to look at options for a new library/museum building says "the purchase of the lots was able to take place only because of the support that we have experienced with our community fundraising events. Thank you to everyone who has demonstrated what it means to be from the Robson Valley!" "We still have much work to do in order to acquire the building, but we are now that much closer to realizing our goal of an expanded and improved facility for residents and visitors alike." Zahn concludes.
