Thank You!

Thank You - On behalf of the Nadasi Family we would like to thank McBride for supporting Hanna throughout her graduation and all the baby items and gifts she received. We would like to say a thank you to all of McBride for the kind support and loving. **Thank You McBride** - I would like to take this opportunity to thank the people of McBride & the Robson Valley who supported us for so many years. We were fortunate to have so many wonderful patients which made our work so much easier. Great people, great stories, great adventures, thank you all so much! Indeed we were doubly fortunate to have had such a long list of dedicated and selfless staff members who made the job so much easier too. This message is dedicated to the following & is in more or less chronological order: Debbie, Judy, Rachel, Linda, Sandra, Gail, Lorraine, Barb, Danielle, Eleanor, Susan & Jean. Thank you one & all for putting up with me and injecting as much fun as possible into our days! In the short time I got to know Dr. Jas Palani and his wife Recena, I realized that the Valley is in good hands. Please support Dr. Jas! While on the subject of thanks, I want to acknowledge the many years of service and dedication that Dr. Geoff Cowburn provided to our community. Unflappable Geoff, whose upbeat manner and professionalism epitomized his demeanor. I miss you! Finally, I have a wish for the people of the Valley-may the economic times improve & may those who lost last November's election please, please learn to let go graciously, and let those now elected make their own mistakes as you did. The job of being a local politician is daunting enough without having to look over your shoulder too! Jean & I would like everyone to know that we are enjoying our east coast retirement and look forward to visiting next year. -All the best, Mike Moseley.

But it is a serious climb!!
