## To a Round Table Discussion on Preschool/Daycare and other Childcare Needs, Brainstorming Solutions for McBride and Area.

Two community surveys done recently by Success by 6 and Robson Valley Support Services indicate a pressing need for daycare/preschool/childcare in McBride. Please join us in discussion towards finding creative solutions to meet these needs in our valley.

As a committee we were pleased to learn that a person with her ECE (Early Childhood Education) has just recently moved to McBride. We welcome Marianne Lemand and her family. Her business will begin by offering preschool Monday, Wednesday and Friday mornings from 9-12, beginning Oct. 1, 2015 until Jan. 31, 2016. The registration for eight attendees were filled within an hour of being posted. We are very pleased that this is filling part of the need for preschool in McBride.

The Committee would like to invite anyone interested in, or in need of, childcare services to be part of the discussion.

McBride Village Council By-election  
Saturday, September 19th, 2015

### Trustworthy

I have no personal agenda. I am dedicated to improving life for everyone. You deserve honest, transparent representation and with me, that is exactly what you will get.

**For all ages**  
We need more job opportunities for young people. We need better care services for the elderly.

**Collaborative**  
I offer my commitment to Mayor Martin and Council to work together to find solutions to move the community forward.

**Cultural Centre**  
I support moving the library/museum to a newer more central building, providing opportunities for people of all ages to take advantage of the great cultural facility that is envisioned, free for all to use. A museum brings visitors off the highway and to our downtown businesses, motels, restaurants, gas stations, repair shops, and maybe to have interest in moving to this beautiful valley. It goes without saying that we need to keep in mind the cost.

**Open, Honest, Direct**  
I say what I mean. I mean what I say.  
What you see is what I am.

**Commitment**  
I am retired. I can devote all the time needed to council.

**Enterprising**  
I do know the value of businesses to the viability of the community. I do not have a business and will impartially promote a good business environment in the valley as a top priority

**Caring**  
Having raised a family and overcome cancer, I empathise with other's struggles. I want to improve life for everyone.
