**4:30 INSIDE OUT:** Growing up can be a bumpy road, and it's no exception for Riley, who is uprooted from her Midwest life when her father starts a new job in San Francisco. Like all of us, Riley is guided by her emotions - Joy, Fear, Anger, Disgust and Sadness. The emotions live in Headquarters, the control center inside Riley's mind, where they help advise her through everyday life. As Riley and her emotions struggle to adjust to a new life in San Francisco, turmoil ensues in Headquarters. Although Joy, Riley's main and most important emotion, tries to keep things positive, the emotions conflict on how best to navigate a new city, house and school.  
**7:00 - Furious 7:** (PG-13) Dominic and his crew thought they'd left the criminal mercenary life behind. They'd defeated international terrorist Owen Shaw and went their separate ways. But now, Shaw's brother, Deckard Shaw, is out killing the crew one by one for revenge. Worse, a Somali terrorist called Jakarnde and a shady government official called "Mr. Nobody" are both competing to steal a computer terrorist program called "God's Eye," that can turn any technological device into a weapon. Torretto must reconvene with his team to stop Shaw and retrieve the God's Eye program while caught in a power struggle between the terrorist and the United States government.  
*Concession will be available. Thank you for your support!!!*
