IN LOVING MEMORY
 Marilyn Wheeler
 1932-2016

Marilyn was born in Sussex, England. After receiving her teaching certificate from Bletchley Park Teachers' Training College, she taught in England at a boys school until 1955 when she emigrated to Canada to teach in Saskatchewan. In 1958 she married fellow teacher John Wheeler, and they moved to the Robson Valley. Together they raised their two sons, Matthew and John (Junior) on the family farm that they developed, taught a generation of school children and were active in the community they came to call home. Marilyn was deeply involved with the McBride Farmer's Institute for over 50 years and was a strong advocate of local agricultural issues. She founded and led several adult and children's choirs and served on the local hospital board.

Marilyn was elected to the Regional District in 1980 and served through 1993. She served on the board of the College of New Caledonia, was Chair of the Northern Interior Board of Health and served on a multitude of boards and committees. She was appointed a Justice of the Peace in 1983 through 1998 and was appointed a marriage commissioner in 1994. She performed nearly 100 marriages in the Robson Valley.

An avid historian, Marilyn produced the first edition of The Robson Valley Story, published in 1979. A much larger updated edition in 2008, The Robson Valley Story - A Century of Dreams was published by the family company, Sternwheeler Press with the help of her son Matthew Wheeler.

Marilyn was a passionate advocate of the arts, of culture and of heritage. She was the current Chair of the Robson Valley Museum and Archives and Vice Chair of the Whistle Stop Gallery Society. She had served as Chair of the McBride and District Public Library and was currently serving as a trustee. She was also an integral member of the RDPFG Cultural Services Committee.

To the day of her death she continued to be a health activist, to farm, and to write. Predeceased by her husband John, Marilyn has had an impact on the Robson Valley that is hard to define, but that has shaped the very nature of our community. She had time for everyone and approached every problem with a cheerful resoluteness and determination that will be dearly missed, as will she.

A celebration of her life will be held June 9th, on what would have been her 84th birthday, at 521 Main St. in McBride.

IN LOVING MEMORY

The family of Sara Myra Hooker are sad to announce the passing of our mother, grandmother and great grandmother on May 15, 2016. She was born October 12, 1932 and was 83 years old. She is predeceased by her husband Glen, sons Daniel, Dana, and daughter Glenda. She is survived by her daughter Dianne, sons Stephen, Glen (Tracy) and Quintin (Kim), 16 grandchildren and 17 great grandchildren, Daughter in law and best friend Mary, Daughter in law Brenda. Myra and husband Glen lived much of their lives in Dome Creek where they ran a sawmill, trapped, ran a guiding business and farmed. Some of their greatest pleasures were their many fishing trips up Walker Creek, spending time on their trap line as a couple and being snowbirds at their property in Arizona. The last few years of her life Myra lived at her home in McBride overlooking the Fraser River. Myra was a strong willed, independent woman with a big heart for all her children and grandchildren. She will be greatly missed by all. On Sunday, May 22 there will be a Celebration of Life for Myra at her home in McBride at noon. Please join us for memories and a bbq. If unable to make this event we are having another gathering later in the summer for relatives and friends living at a distance.
