RANCHER VS. LAWYER

A big-city lawyer was representing the railroad in a lawsuit filed by an old rancher. The rancher's prize bull was missing from the section through which the railroad passed. The rancher only wanted to be paid the fair value of the bull. The case was scheduled to be tried before the justice of the peace in the back room of the general store. The attorney for the railroad immediately cornered the rancher and tried to get him to settle out of court. The lawyer did his best selling job, and finally the rancher agreed to take half of what he was asking. After the rancher had signed the release and took the check, the young lawyer couldn't resist gloating a little over his success, telling the rancher, "You know, I hate to tell you this, old man, but I put one over on you in there. I couldn't have won the case. The engineer was asleep and the fireman was in the caboose when the train went through your ranch that morning. I didn't have one witness to put on the stand. I bluffed you!" The old rancher replied, "Well, I'll tell you, young feller, I was a little worried about winning that case myself, because that damned bull came home this morning."

RULES

We always hear "the rules" from the women's side. Now here are the rules from the men's side. These are our rules!
Learn to work the toilet seat. You're a big girl. If it's up, put it down. We need it up, you need it down. You don't hear us complaining about you leaving it down.
Birthdays, Valentines, and Anniversaries are not quests to see if we can find the perfect present yet again!
Sometimes we are not thinking about you. Live with it.
Sunday equals sports. It's like the full moon or the changing of the tides. Let it be.
Shopping is NOT a sport. And no, we are never going to think of it that way.
Crying is blackmail.
Ask for what you want. Let us be clear on this one: Subtle hints do not work! Strong hints do not work! Obvious hints do not work! Just say it!

We don't remember dates. Mark birthdays and anniversaries on a calendar. Remind us frequently beforehand.
Most guys own three pairs of shoes, tops. What makes you think we'd be any good at choosing which pair, out of thirty, would look good with your dress?
Yes and No are perfectly acceptable answers to almost every question.
Come to us with a problem only if you want help solving it. That's what we do. Sympathy is what your girlfriends are for.
Check your oil! Please.
Anything we said 6 months ago is inadmissible in an argument. In fact, all comments become null and void after 7 days.
If something we said can be interpreted two ways, and one of the ways makes you sad or angry, we meant the other one.
You can either ask us to do something or tell us how you want it done. Not both. If you already know best how to do it, just do it yourself.

Whenever possible, please say whatever you have to say during commercials.
Christopher Columbus did not need directions, and neither do we. ALL men see in only 16 colors, like Windows default settings. Peach, for example, is a fruit, not a color. Pumpkin is also a fruit. We have no idea what manure is.
If it itches, it will be scratched. We do that.
We are not mind readers and we never will be. Our lack of mind-reading ability is not proof of how little we care about you.
If we ask what is wrong and you say "nothing," we will act like nothing's wrong. We know you are lying, but it is just not worth the hassle.
If you ask a question you don't want an answer to, expect an answer you don't want to hear.

When we have to go somewhere, absolutely anything you wear is fine. Really!!!
Don't ask us what we're thinking about unless you are prepared to discuss such topics as navel lint, the shotgun formation, or monster trucks.
You have enough clothes and you have too many shoes.
Foreign films are best left to foreigners. (Unless it's Bruce Lee or some war flick where it doesn't really matter what they're saying anyway.)
It is neither in your best interest or ours to take the quiz together. No, it doesn't matter which quiz.
BEER is as exciting for us as handbags are for you.
I'm in shape. ROUND is a shape.
Thank you for reading this. Yes, I know, I have to sleep on the couch tonight, but did you know we really don't mind that, it's like camping.
