 For the week of **Wednesday, November 16<sup>th</sup>, 2016**  
**THANK YOU**

The Royal Canadian Legion Branch #75 would like to say thanks for all the support, with the poppy and wreath 2016 campaign. It was great to see such a turnout in the park for the Remembrance Day Ceremony, thanks to all those who marched to the centroph, Corrine Balcaen for coming from Vancouver to march in the parade, the four horses and riders, Bob Balcaen for his sound, Keith Berg for his playing the Last Post and Reveille, Barb Marter, Carol Hammar and Beth Fredrick for singing the Hymn "Let There be Peace on Earth", "O Canada" and "God Save the Queen". Rev. Margaret Dempster for the scripture reading. Thanks to all whom laid wreaths. The dinner at hall was well attended, thanks to Shergood Farms and helpers for catering. A special mention to Advantage Insurance for their donation of photocopying the Programs. Welcome Home for the treats for the members on the 10th. They were welcomed and enjoyed. It is always a pleasure to see Ken Hooker at our ceremonies each November 11th.

**Comarately Christmas Tree**  
 To celebrate the season, a Community Christmas Tree will be put up in the Valley Museum & Archives at 241 Dominion Street as of November 25th, as part of the Festival of Lights. The tree will showcase a collection of community ornaments that we will keep from year to year. We are hoping you can donate an ornament to the Library/Museum collection to commemorate something in your own family (births, graduation, a new business, or a passing). When you bring in your ornament we will affix a tag to it that will tell its story and it will become part of the collection that is displayed each Christmas. This natural tree is the centerpiece of the Museum and Library's festivities. Take your place in the growing record of community celebration. Keep the tree in mind, too, while mending the craft fair this weekend for locally-made ornaments, or stop by the Whistle Stop Gallery. We will also be hosting a number of Christmas Craftrooms, for adults and children to make ornaments for the tree, or for your own tree. Keep an eye out for further details! This project is a joint effort of: The Valley Museum & Archives Society, the Whistle Stop Gallery, the Robson Valley Arts & Culture Council, the Robson Valley Support Society, and the McBride & District Public Library.

**COMMUNITY ANNOUNCEMENTS**  
 Citizen's Book Club - The Citizen's Book Club is a collaboration between the Robson Valley Community Literacy Outreach, The Three Valley's Community Development Co-operative and the McBride and District Public Library. The goal of the book club is to learn about creating positive change in our community by sharing books that offer innovative solutions to common problems. The first book we will read is "Community: The Structure of Belonging" by Peter Block. This book is described as: "an exploration of the exact way a community can emerge from fragmentation. How is community built? How does transformation occur? What fundamental shifts are involved? What can individuals and leaders do to create a place they want to inhabit?" You can read the reviews of Community: The Structure of Belonging at <http://www.librarything.com/work/5501534/reviews/67135477>. The McBride and District Library will order a copy of the book for each person in the book club. A date, time and location for the book discussion will be decided once the group is formed. Please contact me at 250-968-4358 or email [nancy@dunstanency.ca](mailto:nancy@dunstanency.ca) if you are interested in becoming involved. **Community Volleyball Mondays** from 7-9 at McBride Secondary School, grade 8 and up. It will be a drop in for now but if we get enough interest we would like to go back to making teams! Any questions or think you have enough people to make a team let me know. December 3, 2016 - 7:00p.m. at the E-Free Church. The McBride and District Hospital Auxiliary's Christmas Extravaganza. We hope you'll come out in support of your Auxiliary; it's our biggest fundraiser of the year. Be sure to get your raffle tickets on the Christmas Hamper, available from Auxiliary members ... don't feel you need all those items, so don't want to buy a ticket? What a great gift to give to a member of families in need, or even donated to the local food bank. Your donations and support are truly appreciated. Thank You! We'll see you at the Craft Fair where you will be able to help decorate the Memorial Tree, get your raffle tickets and sign up for the Community Christmas Card.

**SCHOOL NEWS**

**LAST CHANGE TO PURCHASE YOUR COMMUNITY CALENDAR.** If you have not been approached by a McBride Secondary School student to order your calendar, please stop by school to purchase yours for the 2017 year by Friday, Nov. 18th. Calendars are \$11.00 and must be prepaid. Proceeds of the calendar go towards the Grade 12 Dinner & Ceremony on June 24, 2017. **Kids' Christmas Shopping Day Sale** - Think of McBride Centennial as you clean your house, sort through boxes, etc. We welcome any gently-used or never-before-used-and-want-to-find-a-good-home items for our sale which will take place on Thursday, November 24 this year. A box will be available in the front foyer of the school for items. The proceeds from this sale go towards the grades 4/5 swim programme. The smiles go to the students and the gifts go to their loved ones. A big thank you goes to all who donate to the sale!

**Community Meeting:** The McBride Centennial and McBride Secondary School Parent Advisory Committees (PACs) are jointly hosting a public community meeting to address very important issues facing our schools and students and the community at large. School District 57 has postponed co-location. The PACs feel this is still on the table for the next few years. What are the ramifications for students, teachers and our community if co-location goes ahead in the next few years? How would SD57 ensure that a K-12 school would meet the needs of all students? Is closing the elementary school actually cost-effective? What are the rationalizations for this plan? Is the time-line for co-location workable? What will happen TUESDAY, NOVEMBER 22 - 6:00p.m. at the Roundhouse Theatre. A significant challenge currently facing our high school students, given current low enrolment, is reduced course offerings in front of teachers. Reduced course options will soon mean that high school students in McBride may not be able to take the courses they need from a teacher in McBride to enter post-secondary programs or even graduate! Co-location will not solve this serious problem. How will SD57 ensure that our students can graduate in McBride and complete the courses they need - in front of teachers - in their own school in order to enter the work force and post-secondary programs? The PACs have invited all SD57 Trustees and senior administrative staff from Prince George to the community meeting to answer questions and provide insight into these important issues. We would like to be able to work openly and collaboratively with SD57 on issues facing our schools: if you are a parent, a grandparent, business owner, student, Robson Valley resident...please come to the meeting and have your voice heard! If you would like to send in your questions ahead of the meeting, please email them to: mcbrideschools@gmail.com.
