Stop in, coffee is always on.

Are you over 65 & unable to

shovel your walkway this winter?

The Better at Home Program at RVSS

offers support services to assist seniors

with non-medical tasks such as;

snow removal, light housekeeping, and

transportation. Fees-for-service are

based on income/sliding scale.

VOLUNTEER OPPORTUNITIES AVAILABLE!!

For more information call Bridget at

RVSS 250-569-2266 or

email bahmcbride@rvssbc.org

The Better at Home Program makes it possible for seniors to continue living independently in their own homes.

SCHOOL NEWS

McBride Centennial Elementary School PAC meeting is Tuesday, November 8 at 6pm in the staff room. Call Lisa Franke at 250-569-0345 with questions.

McBride Secondary School Christmas Craft Fair - When: Saturday, November 19 - 10:00pm to 2:00pm. Where: McBride Secondary School, 1300 2nd Avenue, McBride. 50 tables of Robson Valley art, home crafts, baking, home-based business sales and more. Concession (hosted by school sports). This is PAC's largest fundraiser of the year and money raised supports McBride Secondary School students. Admission \$1 or by donation.

Kids' Christmas Shopping Day Sale - Think of McBride Centennial as you clean your house, sort through boxes, etc. We welcome any gently-used or never-before-used-and-want-to-find-a-good-home items for our sale which will take place on Thursday, November 24 this year. A box will be available in the front foyer of the school for items. The proceeds from this sale go towards the grades 4/5 swim programme. The smiles go to the students and the gifts go to their loved ones. A big thank you goes to all who donate to the sale!

Community Meeting: The McBride Centennial and McBride Secondary School Parent Advisory Committees (PACs) are jointly hosting a public community meeting to address very important issues facing our schools and students and the community at large. School District 57 is considering closing McBride Centennial and moving all K-7 students to the high school for the 2017/18 school year. SD57 had labelled this co-location. What are the ramifications for students, teachers and our community if co-location goes ahead? How would SD57 ensure that a K-12 school would meet the needs of all students? Is closing the elementary school actually cost-effective? What are the rationalizations for this plan? Is the time-line for co-location workable? What will happen with the elementary school and property should it be closed? **TUESDAY, NOVEMBER 22 - 6:00pm.** at the Roundhouse Theatre. A significant challenge currently facing our high school students, given current low enrolment, is reduced course offerings in front of teachers. Reduced course options will soon mean that high school students in McBride may not be able to take the courses they need from a teacher in McBride to enter post-secondary programs or even graduate! Co-location will not solve this serious problem. How will SD57 ensure that our students can graduate in McBride and complete the courses they need - in front of teachers - in their own school in order to enter the work force and post-secondary programs? The PACs have invited all SD57 Trustees and senior administrative staff from Prince George to the community meeting to answer questions and provide insight into these important issues. We would like to be able to work openly and collaboratively with SD57 on issues facing our schools: if you are a parent, a grandparent, business owner, student, Robson Valley resident.....please come to the meeting and have your voice heard! If you would like to send in your questions ahead of the meeting, please email them to: mcbrideschools@gmail.com.

BUY, SELL, RENT & MISC.
