THANK YOU

To the wonderful people of the Robson Valley. We can't even begin to express our thanks for the love and support that has been shown to us. Our heartfelt thanks goes out to each one of you for all the hard work that was put into the Spaghetti Dinner/Fundraiser on October 23rd. The food was delicious and the desserts were exquisite. The Silent Auction was absolutely amazing!!! Thank you to the Businesses and individuals who contributed...the selection was fabulous. I can honestly say that one will never find a Community as loving and caring as this one and I look forward to being of service to this Valley once again. -Respectfully, Willie and Sharon.

Community Christmas Tree

To celebrate the season, a Community Christmas Tree will be put up in the Valley Museum & Archives at 241 Dominion Street as of November 25th, as part of the Festival of Lights. The tree will showcase a collection of community ornaments that we will keep from year to year. We are hoping you can donate an ornament to the Library/Museum collection to commemorate something in your own family (births, graduation, a new business, or a passing). When you bring in your ornament we will affix a tag to it that will tell its story and it will become part of the collection that is displayed each Christmas. This natural tree is the centrepiece of the Museum and Library's festivities. Take your place in the growing record of community celebration, or stop by the Whistle Stop Gallery. We will also be hosting a number of Christmas Craftrooms, for adults and children to make ornaments for the tree, or for your own tree. Keep an eye out for further details! This project is a joint effort of: The Valley Museum & Archives Society, the Whistle Stop Gallery, the Robson Valley Arts & Culture Council, the Robson Valley Support Society, and the McBride & District Public Library.

Kids' Christmas Crafts: Pottery ornaments & angels with Stefi. Thurs., Nov. 24, 3pm at the Library. Limited spots, so please let us know you're coming! Children's Book Club - The Citizen's Book Club is a collaboration between the Robson Valley Community Literacy Outreach, The Three Valley's Community Development Co-operative and the McBride and District Public Library. The goal of the book club is to learn about creating positive change in our community by sharing books that offer innovative solutions to common problems. The first book we will read is "Community: The Structure of Belonging" by Peter Block. This book is described as: "an exploration of the exact way a community can emerge from fragmentation. How is community built? How does transformation occur? What fundamental shifts are involved? What can individuals and leaders do to create a place they want to inhabit?" You can read the reviews of Community: The Structure of Belonging at <http://www.librarything.com/work/5501534/reviews/67135477>. The McBride and District Library will order a copy of the book for each person in the book club. A date, time and location for the book discussion will be decided once the group is formed. Please contact me at 250-968-4358 or email nancy@dunstermancy.ca if you are interested in becoming involved.

We appreciate your support. Thank you to the Jr Boys Basketball team for running the concession and to the Robson Valley Community Centre for loaning us the tables. Thanks to Jill Philpott for her donation of 5lb of locally Roasted Bean coffee - won by Sherry Wiltsie and to the volunteer students, parents, as well as Kathy Molendyk and Mr. Shaw for helping make this year's craft fair a great success.
