Help! I am a retired Ontario teacher looking for a place to park my tiny timber home on wheels for the winter. My small home variance did not get passed to allow me to live in the town of McBride. I am open to an arrangement of doing chores such as mucking out stables, feeding animals, grooming horses, household chores and more. I can live without electricity, use a compostable toilet and heat with wood. I require access to water plus road access for my small car. I have two friendly lab mix female dogs.
