### BACKCOUNTRY HORSEMEN

The Backcountry Horsemen of BC (BCHBC) Robson Valley Chapter would like to invite people interested in trail riding (front country and/or backcountry) in the Robson Valley to join us. There will be an informational potluck meeting on February 22 at 6:30 p.m. at Brian Wallace's residence on 3760 Hinklemen Road. Please bring a food item to share and visit with like-minded individuals. There will be an opportunity to register as a BCHBC member during the evening if you desire. Backcountry Horsemen is a not-for-profit society that provides equestrians interested in trail riding with a social and safe learning environment. We also build and maintain trails, trail heads and facilities for horses and work together with individuals, government, business and other recreational users of public lands to promote awareness and understanding for a cooperative wilderness experience. For information, please call Eileen MacDonald at 1-250-253-4193 or visit [www.bchorsemen.org](http://www.bchorsemen.org).

### SKI CLUB NEWS

Slip on your boots, strap on your skis and head up to the Belle Mountain cross-country ski trail system at 5km on Belle Mountain. We have 17km of ski trails and a day use/overnight cabin for you to enjoy! Currently, the 10km and 5km trails are groomed and track set thanks to volunteer Brian Wallace. You can check out trail conditions on our Facebook page at [Facebook.com/Yellowheadskiclub](https://www.facebook.com/Yellowheadskiclub). Please support your Yellowhead Ski Club by purchasing a membership. Membership dues pay for snowmachine maintenance and repair and fuel for grooming and track setting as well as Pine Lake cabin maintenance. The club depends on user support to keep operating. Membership forms are available on our Facebook page, at the McBride Library and by email at [yellowheadskiclub@hotmail.com](mailto:yellowheadskiclub@hotmail.com). To book the cabin for overnight use, call 250-569-3362. There is currently logging and hauling taking place on Belle Mountain, so please watch out for logging trucks and equipment while driving to and from the parking lot on the logging road. The club shares the parking lot with the snowmobile club so please park close to the ski trailhead but not blocking the snowmobile access trail. The club would like to thank the following members: Dave Kraby for removing blowdown on the trails, track setting and bucking up firewood; Bryan Monroe for cabin repairs and firewood detail; Bryan Wallace for track setting; Keith Berg for firewood detail. Also Shawn at Shawn's Small Engine Repair for his handiwork in keeping our grooming machine running and for heading into the trail system to make this happen. Thank you to Crazy Horse Contracting for their generous donation of logs for cabin firewood! Thank you to MCFC for ensuring that Belle Mountain Rd. is kept in great shape. Thank you to Sandy MacKenzie with the Province and RDPFG for their ongoing financial support of our small club. Thank you to the McBride Snowmobile Club - we continue to work together to encourage outdoor winter recreation in the Robson Valley. Apologies to anyone we missed. A very special thank you to founding ski club members Fern and Lloyd Sanson - your time, energy and skills are greatly appreciated by everyone who skis at Belle Mountain. Stay tuned for information about a family day the club plans to host in February at the Pine Lake Cabin. See you on the trails.
