Building Inspection - Call Us Before You Start!

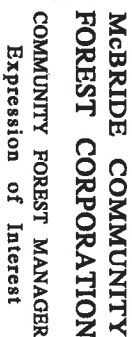

The goal of the Building Inspection department is to ensure the health, safety and protection of persons and property by confirming that buildings and their systems generally conform to relevant bylaws, the B.C. Building Code and other applicable standards.

Building Inspectors provide interim spot checks on the construction stages in accordance with the BC Building Code and building plans that have been submitted for a permit. A permit is required for construction, alteration, repair or demolition of a building or structure, building relocations, masonry fireplaces and solid fuel burning appliances and chimneys, as well as, plumbing systems.

For more information please visit
<http://www.rdfq.bc.ca/services/development/building-inspection/permit-required>

For construction in the Robson and Canoe Valley Region a Building Inspector is available at the offices listed below. This area includes all of Electoral Area 'H'.

THE COMMUNITY MARKET

The Community Market in McBride held its 2017 Vendor meeting on May 16 to set the terms for this year's Market. The Market will start Friday, June 23 and will be held every Friday from 11am to 2pm until September 1, in the Pavilion at Steve Koida park. The cost per table remains at \$5 each week. This year we are pleased to announce Marion Cousineau will be providing hot lunch services during the Market. The Community Market is a loose association of independent vendors who operate under the umbrella of the Market's business license and the rules are few and simple. Goods must be grown, made or assembled in the Valley by Valley residents from Dome Creek to Dunster. Northern Health rules apply to all foodstuffs sold at the Market. Foods on the "high risk" list may not be sold. Vendors may be asked to present their certificates. Vendors are required to stay until their goods are all sold or until 2pm, whichever

comes first. Customers coming to the Pavilion and seeing empty spaces or vendors packing up early may not return. Therefore leaving early is unfair to the rest of the vendors and detrimental to the Market operation. Busters are welcome to perform outside the Pavilion, but only acoustic instruments are permitted. No electronic assists. Five vendors have already booked their table spaces for the entire year. Others table spaces are assigned on a first come first served basis.
