Thank You from
Zenobia Downing and Family.

THANK YOU

Thank you to an amazing community! My beautiful grey mare bolted away from us last Sunday evening. She was found by a great crew of people who never gave up. The perseverance and love of my friends, family and community members is overwhelming. I cannot even begin to thank people enough. We scoured the mountain for 6 days. We had people on the ground, quads, horses, drones, motorcycle, vehicles, jetboat, chopper, airplane, a paraglider and countless people praying and giving positive vibes with their love and support. I can't thank people enough for the food, drinks and bug spray. Thank you for the making and distribution of posters. Thanks to the people that helped to coordinate the effort when my brain was too exhausted to know what to do next. Dancer was located when all other avenues were exhausted. She was found about 7 km from where she bolted in a heavily wooded area across the highway from the road we were on. My sincere appreciation goes to those that helped in any way to bring her home. I am truly grateful for this beautiful community! -Dawn Hickerty?? Special thanks to Yellowhead helicopters from Valemount, Doug Monroe, Mike Monroe (horse finder extraordinaire), Frank Meersman (horse whisperer/catcher) members of RV backcountry horse group (plan coordinators), Birgit Stutz (mudpy determination and 2 great woofers) and many, many more! My sincerest thank you to all!

Fire Hydrant Revitalization Project
Ten years ago the Whistle Stop, two dedicated Gallery members, Darrell and Diane Roth, and one talented artist, Bryony Griffith, initiated the artistic painting of the Village fire hydrants as a part of the Whistle Stop Gallery "Paint McBride Beautiful" project.

While some of the hydrants have remained in excellent condition, many have not, or have been replaced with new ones. Now we are revitalizing the initiative and once again offering businesses and individuals the opportunity to adopt hydrants. Please give the Whistle Stop a call: 250-569-8891 or email: whistlestopgallery@telus.net and let us know if you wish to be a part of this exciting and artistic endeavour. The cost will be \$150 for businesses and \$100 for individuals. This is a non-profit venture and the funds raised will go to the artist, supplies and promotion.

Call now! We cannot guarantee specific hydrants, but we will do our best to accommodate and you and your hydrant will be promoted in our revamped town walking map.

BC WILDFIRE NEWS

Burning to be restricted in Prince George Fire Centre. PRINCE GEORGE - Effective at noon on Thursday, July 6, 2017, Category 2 and Category 3 open fires will be prohibited throughout the Prince George Fire Centre to help prevent humancaused wildfires and protect public safety. This prohibition is being implemented due to current weather conditions and the long-range forecast for the region. Anyone conducting a Category 2 or Category 3 open burn anywhere in the Prince George Fire Centre must extinguish any such fire by noon on July 6, 2017. This prohibition will remain in effect until Sept. 30, 2017 or until the public is otherwise notified. A map of the affected areas is available on-line at: <http://ow.ly/L1tz30dkkrt>. Specifically, prohibited activities will include: •the burning of any waste, slash or other materials. •strubble or grass fires of any size over any area. •the use of burning barrels or burning cages of any size or description. •the use of sky lanterns, tiki torches or fireworks. •the use of stoves and other portable campfire apparatuses that are not CSA-approved or ULC-approved. This prohibition does not ban campfires that are a half-metre high by a half-metre wide or smaller, and it does not apply to CSA-approved or ULC-approved cooking stoves that use gas, propane or briquettes. A poster explaining the different categories of open burning is available on-line: www.gov.bc.ca/openfireregs. This prohibition applies to all BC Parks, Crown lands and private lands, but does not apply within the boundaries of a local government that has forest fire prevention bylaws in place and is serviced by a fire department. Please check with local government authorities for any other restrictions before lighting any fire. Anyone found in contravention of an open burning prohibition may be issued a violation ticket for \$1,150, required to pay an administrative penalty of \$10,000 or, if convicted in court, fined up to \$100,000 and/or sentenced to one year in jail. If the contravention causes or contributes to a wildfire, the person responsible may be ordered to pay all firefighting and associated costs. To report a wildfire, unattended campfire or open burning violation, call 1-800-663-5555 toll free or *5555 on a cell phone. For the latest information on current wildfire activity, burning restrictions, road closures and air quality advisories, visit: <http://www.bcwildfire.ca>. You can also follow the latest wildfire news on: •Twitter at: <http://twitter.com/BCGovFireInfo>. •Facebook at: <http://facebook.com/BCForestFireInfo>.
