A LITTLE THINKER...

"The car won't start," said a wife to her husband. "I think there's water in the carburetor."
"How do you know?" asked the husband scornfully. "You don't even know what the carburetor is."
"I'm telling you," repeated the wife, "I'm sure there's water in the carburetor."
"We'll see," mocked the husband. "Let me check it out. Where's the car?"
"In the swimming pool."

MORE LITTLE THINKERS...

At one point during a baseball game, the coach said to one of his young players, "Do you understand what cooperation is? What a team is?"

The little boy nodded in the affirmative.
"Do you understand that what matters is whether we win together as a team?"

"So," the coach continued, "when a strike is called, or you're out at first, you don't argue or curse or attack the umpire. Do you understand all that?"

Again the little boy nodded.
"Good," said the coach, "now go over there and explain it to your mother."
