## SHO-TAI

**Sho-Tai in McBride & Valenmount.** The healing art, Sho-Tai, with Class 2 Practitioner, Evan Dougherty, is returning to McBride, & Valenmount November 14 & 15, with his visits every 3 months. (Current clients please note the change in visits from October to November). He will be in McBride for a day & a half, & in Valenmount on the afternoon of the 15th.

Sho-Tai is known for a number of techniques, including muscle testing (Kinesiology), which determines the electrical flow throughout the body - it can identify where the body has gone weak or is not functioning at full capacity. Terry Bell, the founder of Sho-Tai, went on his own 'health trek' in his 20's, due to his own health issues. He began studying various techniques, including electric acupuncture, & iridology. Terry noted similarities in color changes & markings with the eyes, tongue & teeth, which related to health issues in various parts of the body. After many years, these assessments became part of Sho-Tai. The assessment also looks at what foods are interfering with the healthy functioning of the body. We are each unique, like a snowflake, based on our upbringing, family history, etc. Terry describes someone eating a food that disrupts their body, 'like a cow eating meat'. Recommendations are made, to try to avoid the foods that are disrupting the body's healing process. Two or three herbs, which can aide the body in recovering healthy function are also recommended. Terry recommends making changes for a 'season', or 3 months, in a process of healing that flows from cleansing, to repairing, to maintaining health. Not only did Terry improve his own health, but he has traveled coast to coast, helping thousands of people recover their health, for more than 35 years now. Evan has traveled & worked with Terry for more than 10 years & is now bringing this unique health assessment to the Valley, every 3 months. If you have any questions, you may refer to the Sho-Tai website, or contact Kelly McNaughton with questions or to book an appointment at 250-968-4400.

Hope to see you there!

**Kids' Christmas Shopping Day Sale** - Think of McBride Centennial as you clean your house, sort through boxes etc. We welcome any gently-used or never-before-used-and-want-to-find-a-good-home items for our sale which will take place on Friday, December 1 this year. A box will be available in the front foyer of the school for items. The proceeds from this sale go towards the grades 4/5 swim programme. The smiles go to the students, and the gifts go to their loved ones. Thank you to those who have supported the swim programme in the past with their donations and a big thank you, in advance, for those donating this year!

### MCBRIDE ROUNDHOUSE THEATRE

**Veteran Blues Artist** Terry Gillespie rocks out on first Western Tour in two years with show at McBride's Roundhouse Theatre Wednesday, October 11. Veteran Canadian blues artist Terry Gillespie continues his first Western Canadian tour in two years. The concert also marks the release of *Home Boy*, his fifth solo album. Accompanied by bassist and fiddle player Lyndell Montgomery, Gillespie's music is blues based - but this is an artist who mixes genres with ease. His annual winters in Jamaica have given his songs a deep groove that's hard to resist. Tickets are \$15.
