Sho-Tai Retiring in September

Evann Dougherty, Class 2 Sho-Tai Practitioner, will be resuming visits to McBride & Valemount in September. Sho-Tai utilizes examination of color changes & markings on the eyes, tongue & teeth to determine health changes in the body. Muscle testing (Kinesiology) is utilized to determine the weakest & most damaged organs & glands which are causing health issues. For instance, the thyroid is often the weakest gland & the pancreas is often the most damaged gland. Kinesiology is also applied to determine which foods are negatively impacting the body & which herbs will aid the body in healing. We are all unique, like a snowflake, so a food that may be healthy for one person, may actually be detrimental to another, because of our genetic make-up & other causal factors throughout our lifetime. Terry likens eating a non-beneficial food, to a cow eating meat. It is recommended to make the dietary & supplement changes for a "season", or 3 months & then reassess. The system follows the principles of Cleanse, Repair & Maintain to achieve optimum health. If you are a client of Sho-Tai or would like to be, & have a preference of dates in September that would work for you, please contact Kelly or leave a message at 250-968-4400, as she is currently initiating planning of this visit, in mid to later September.

Please contact The Little McBride Paper with all coming events, news, trivia, comments, anything! 250-569-3110, Fax:250-569-0220, email:sglines3@telus.net, P.O. Box 441, McBride, B.C. V0J 2E0 or drop off at 455 King St. If we don't know about it, we can't inform the public about it! Scott & Susan Glines (Oscar & Broom)
