IN LOVING MEMORY

Ben Blixrud

January 7th, 1958 - September 15th, 2017

"Come to the woods, for here is rest. There is no repose like that  
of the green deep woods. Here grow the wallflower and the violet.  
The squirrel will come and sit upon your knee, the logcock will  
wake you in the morning. Sleep in forgetfulness of all ill. Of all the  
upness accessible to mortals, there is no upness comparable to the  
mountains." We hope that you rest in the mountains, under the shade  
of a tall birch tree, on a perfect June day, peaceful and content. You  
are loved and missed every day" Love, from us all.

Sho-Tai Coming Soor

**Evan Dougherty, Class 2 Sho-Tai Practitioner,** will be in McBride on Monday, September 17 & in Valmont on Tuesday, September 18. Sho-Tai utilizes examination of color changes & markings on the eyes, tongue & teeth to determine health changes in the body. Muscle testing (Kinesiology) is utilized to determine the weakest & most damaged organs & glands which are causing health issues. Kinesiology is also applied to determine which foods are negatively impacting the body & which herbs will aid the body in healing. We are all unique, like a snowflake, so a food that may be healthy for one person, may actually be detrimental to another, because of our genetic make-up & other causal factors throughout our lifetime. The system follows the principles of Cleanse, Repair & Maintain to achieve optimum health. If you are a client of Sho-Tai or would like to be, there are a few appointments left, please contact Kelly or leave a message at 250-968-4400. Kelly also maintains a local supply of herbs for Evan's clients.
