Sho-Tai Goringg Soor

Evan Dougherty, Class 2 Sho-Tai Practitioner, will be in McBride on Monday, September 17 & in Valemount on Tuesday, September 18. Sho-Tai utilizes examination of color changes & markings on the eyes, tongue & teeth to determine health changes in the body. Muscle testing (Kinesiology) is utilized to determine the weakest & most damaged organs & glands which are causing health issues. Kinesiology is also applied to determine which foods are negatively impacting the body & which herbs will aid the body in healing. We are all unique, like a snowflake, so a food that may be healthy for one person, may actually be detrimental to another, because of our genetic make-up & other causal factors throughout our lifetime. The system follows the principles of Cleanse, Repair & Maintain to achieve optimum health. If you are a client of Sho-Tai or would like to be, there are a few appointments left, please contact Kelly or leave a message at 250-968-4400. Kelly also maintains a local supply of herbs for Evan's clients.

Trail maps of the route will be available on the day of the event. Check out our website to stay up to date on the latest details. FAQ: What's a Canadian Tuxedo? Denim. Plaid. Lots of Plaid. Do I need a partner? Nope! You can choose to race solo, but you still have to shotgun a bevvie! Does this event cost anything? There is no cost to participate in the event. RVMBA is putting this event on for free. I don't want to race, is there something I can help with? Absolutely! Give us a shout at ride.in.mcbride@gmail.com and we'll find a job for you.

Take a Break in McBride...B.C.'s Friendliest Town!!

Ever wonder what it is that we do at the McBride Community Forest?

If you've got questions or would even like a tour to see our ongoing and completed projects give us a call or stop by. Our active projects are brushing, recreation site maintenance, block layout, road maintenance, various surveys and active logging. You could even view the areas that were planted this past spring and summer. Imagine, this year over 300,000 seedlings were planted in the McBride Community Forest area.

Give us a call
250-569-7644 for Gene Runtz, General Manager, or stop by.....! See you soon.

Also, save the date. The Annual General Meeting for the Village of McBride and McBride Community Forest Corporation is Friday, September 21, 2018...
