THANK YOU to the residents of McBride that supported me as a Councillor in McBride for the past 5 terms and in the latest municipal election. I have been honoured to be one of your representatives.
Thank you to all of those that have worked in support of my campaign. A campaign is a group effort and I appreciate all the time and energy that individuals have contributed through the last month.
Most importantly I wish to thank Carol, Becca and Laura for their support through all these years and during this last campaign for Mayor.
All the best to the new Mayor and Council as you continue important work on affordability, senior and social housing, economic diversification and growth and so much more.
