THANK YOU

After almost half a year it is with great pleasure and happiness that we are able to report that Kris is now home to start his next phase of recovery. Though we know that the next phase of recovery will be a long one we are looking forward to each day together no matter what it brings. We want to thank everyone for your love, prayers, support, words of encouragement and every extra thing from firewood to meals that was and continues to be done for our family. We could not have gone through this without each and every one of you supporting us. We are truly grateful for the caring people in our lives. -Love the Tomson Family.

THANK YOU

McBride Secondary would like to thank those that have contributed to the breakfast program lately. Your financial support, fruit donations, or other food staples all helps us continue in serving the students a hot breakfast once a week, along with providing a healthy continental breakfast trolley for the rest of the week for all students. We all know eating a healthy breakfast jumpstarts your brain and boosts concentration and productivity throughout the morning. The generous support of individuals like you makes it possible for our program to exist and to make the community a great place to live.

Did ya know?

The volume of sales of eggnog in Canada in December is 6.7 MILLION litres.

According to Guinness world records, the tallest Christmas tree ever cut was a 221-foot Douglas fir that was displayed in 1950 at the Northgate Shopping Center in Seattle, Wash.

Assuming Rudolph was in front, there are 40,320 ways to rearrange the other reindeer. Can you name the other reindeer?

All the gifts in the Twelve Days of Christmas would equal 364 gifts.
