## Sho-Tai is Retaining In December

**Eljah Robinson, Class 3** Sho-Tai Practitioner, will be returning to McBride & Valemount in December. He will be in McBride Wednesday, December 19 & in Valemount Thursday, December 20. Sho-Tai utilizes examination of color changes & markings on the eyes, tongue & teeth to determine health changes in the body. Muscle testing (Kinesiology) is utilized to determine the weakest & most damaged organs & glands which are causing health issues. Kinesiology is also applied to determine which foods are negatively impacting the body & which herbs will aid the body in healing. We are all unique, like a snowflake, so a food that may be healthy for one person, may actually be detrimental to another, because of our genetic make-up & other causal factors throughout our lifetime. The system follows the principles of Cleanse, Repair & Maintain to achieve optimum health. If you are a client of Sho-Tai or would like to be, please contact Kelly or leave a message at 250-968-4400. Kelly also maintains a local supply of Sho-Tai herbs for clients.
