#### ROBSON VALLEY GAREGIVER SUPPORT GROUP

Robson Valley Caregiver Support Group is at the Community Health Building, McBride on Tuesday, July 16, 2019 from 2-3p.m. For those caring for someone with dementia-spouses, family or friends - a caregiver support group offers the chance to: •Exchange information and friendship with others affected by dementia. •Access the most current information. •Learn and share practical tips for coping with change. •Decrease feelings of loneliness and isolation. •Express feelings and be reassured that these feelings are normal. •Find a sense of hope. Supporting a person with dementia, can be incredibly demanding. People in this situation experience a variety of feelings. The demands of the disease can make it difficult to stay in touch with friends and family, and can lead to loneliness and isolation. Come and join us! Contact for more information: 250-569-2018.
