IN LOVING MEMORY
Dwayne (Dewey) Needham
 July 4, 2017.
 I Miss You!
 No words I write can ever say,
 How much I miss you every day.
 As time goes by, the loneliness grows,
 How I miss you, nobody knows!
 I think of you in silence,
 I often speak your name.
 All I have are memories and your picture in a frame.
 No one knows my sorrow,
 No once sees me weep, but the love I have for you
 Is in my heart to keep.
 I've never stopped loving you,
 I'm sure I never will,
 Deep inside my heart,
 You are with me still.
 Heartaches in this world are many,
 But mine is worse than any.
 My heart still aches as I whisper low,
 "I need you and miss you so..."
 Love always, Kathy

SHO-TAI
 Sho-Tai is returning on July 8. Eyan Dougherty, Class 2 Sho-Tai Practitioner, will be resuming his practice in McBride on Monday, July 8. Eyan has travelled & practised with Terry Bell, the founder of Sho-Tai, for more than a decade. Sho-Tai utilizes examination of color changes & markings on the eyes, tongue & teeth to determine health changes in the body, past & present. Muscle testing (Kinesiology) is utilized to determine the weakest & most damaged organs & glands which are causing health issues. Kinesiology is also applied to determine which foods are negatively impacting the body & which herbs will aid the body in healing. We are all unique, like a snowflake, so a food that may be healthy for one person, may actually be detrimental to another, because of our genetic make-up & other causal factors throughout our lifetime. Even if a person is taking a herb or vitamin recommended for a particular condition, if it is not what their particular system needs, then the body must cleanse that item out, rather than utilizing it. The system follows the principles of Cleanse, Repair & Maintain to achieve optimum health. If you are a client of Sho-Tai or would like to be, please contact Kelly or leave a message at 250-968-4400. Kelly also maintains a local supply of Sho-Tai herbs for clients.

FOOT CARE

Athletes aren't the only ones who get athlete's foot.

In fact, this infection caused by a fungus is quite common.

Fortunately, it can be treated by products you will find at your pharmacy.

It's MY birthday! I'm giving YOU a chance to WIN a \$49 Gift Certificate!
