NEWS RELEASE

The Village of McBride is respectfully requesting visitors to stay home and not travel to McBride after noticing an influx of out-of-town snowmobile and nature enthusiasts who love the community's trails.

Village Council, like many leaders throughout the world, are making this extraordinary request in an effort to limit the spread of the coronavirus that causes COVID-19. McBride's population has a large percentage of seniors and the community is not close to a major medical centre.

"We are a highway community and we saw this past weekend many out-of-town-visitors," says Mayor Gene Runtz. "We really need people to stay home, to not visit friends and family here. It is time for everyone to do their part to protect each other. The simplest thing you can do to keep McBride safe is stay away for now."

McBride's Snowmobile Club will not be grooming local trails in an effort to discourage visitors.

McBride Council is heeding the advice of the province's health leaders and professionals and respectfully asks that McBride residents practice social distancing or self-isolate during this crisis. Residents can find more information about the provincial emergency response, social distancing and COVID-19 facts at www.gov.bc.ca/covid19 or by calling 1-888-COVID19 (1-888-268-4319). Residents can also find information from the BC Centre for Disease Control at www.bccdc.ca.

521 NEWS

The McBride and District Public Library will be closed from Tuesday, March 17th until further notice, in line with current guidance that social distancing is vital in reducing the spread of COVID-19.

We apologize for any inconvenience this may incur, but the well-being of our patrons and library staff is our main concern. Please do not try to return any library materials (including inter-library loans) until the library reopens; all late charges will be forgiven when we reopen.

You are reminded that books can be downloaded and read, or even listened to, using the program OverDrive, via this website.
