THRIFT STORE NEWS

Downtown Thrift Store will reopen on Tuesday, July 7 from noon to 3 pm. With safety a priority, at the Thrift Store there will be physical distancing, hand sanitizing, customer tracking, no trying on items and no returns. A limited number of people will be permitted to shop for a limited time. We ask please no children at this time. For the first while, the store will be open Tuesdays only and the washroom will not be accessible. We will be ready to accept donations in a month's time. Thank you for supporting us!

HOSPITAL AUXILIARY NEWS

The McBride and Regional District Hospital Auxiliary is pleased to announce it latest purchase. Karen Desormeau, Primary Care Team Lead, presented a request for the purchase of a device called Sara Steady to assist patient and care givers with moving patient from one seating area to another. The Auxiliary passed a motion at our June meeting to make this purchase. Sara Steady has arrived and Karen is looking forward lending it to an at-home patient. Pictures will be posted on the Auxiliary Facebook page.

Definitely NOT a Parade!

Join our unofficial vintage car procession through the streets of McBride with a special drive by the hospital and Beaverview Lodge to celebrate our community, our first responders, seniors and essential workers plus Canada Day all rolled into one. This event will take place from 4pm-6pm, Saturday, July 4th, the Saturday following Canada Day so that we can celebrate this great country and just before hospital dinner hour to make sure the hospital residents are up and able to watch. The procession will head down Main St., turning onto 5th avenue, around the crescent to Dominion St., back to circle the hospital parking lot then back onto fifth across Main St. and snaking back and forth along the avenues between Dominion St. and Columbia St. Most residents will be able to view the procession from their front yards, (great for seniors!). This will facilitate social distancing while still providing an opportunity to get out and celebrate. Full details and route to follow. To help with logistics and to get your route map please sign up for the procession at the Visitor Centre by calling 250-569-3366, but no registration is necessary, you just need a licensed vehicle. For more information please call the Visitor Centre 250-569-3366. Partially sponsored by the McBride Chamber and Visitor Centre, instigated by vintage car enthusiast Glen Frear.

DO NOT CONSUME NOTICES are also called **do not drink advisories**.

WHAT TO DO DURING A DO NOT CONSUME NOTICE

When a community's water system contains or has reason to believe that it contains a contaminant, such as a chemical that cannot be removed from the water by boiling. The water should not be used for: drinking; brushing teeth; cooking; washing fruits and vegetables; making infant formula or other drinks, soups or ice cubes; for bathing infants and toddlers; or for pets. It may continue to be used for domestic purposes such as showering, bathing, and sanitary waste.

DO NOT USE THE TAP WATER TO:

- cook
- drink
- feed pets
- brush their teeth
- make soups or ice cubes
- wash fruits and vegetables
- make infant formula or other drinks
- any other food products that require water

During a do not consume advisory, **do not** use tap water to bathe those who need help, such as:
