RYCS NEWS UPDATE

Developing the right mindset early on is crucial for a successful, happy life. When kids learn that putting forth effort and using the right strategies can help them get better at things, they feel empowered and try harder. When they know their brains are capable of growing, they are more confident, resilient, and can push through the fear of failure! For Children Ages 5-9. Valenmont Dates: August 10-14 9AM-12PM, at Centennial Park. McBride Dates: August 17-21 9AM-12PM, at Steve Kotlida Park. Limited spots available, please contact events@rvscbc.org to sign up.

Circle of Security Callback Group - July 22nd from 10:00am-12:00pm. Calling all past Circle of Security participants and those who are interested in joining future Circle of Security Programs! Join Lotte and Jessica in the McBride Steve Kotlida Park for a "Circle of Security" group callback. We'll touch base on how our parenting strategies have changed since taking the program. The Circle of Security Program is based on decades of research on best practise parenting for healthy child development. It is designed to help parents and caregivers of young children learn how to provide a loving, safe and secure base for their children. If you would like to learn more, please join us on July 22nd to learn more about this 8 week parenting program.

Ready 2 Go Meal Program in McBride Food Security is an important issue, especially during a pandemic when the local grocery options can be minimal, folks are more isolated, and finances are affected. We have a new "Ready 2 Go Meal Program" in McBride where we have the capacity to deliver some freezer meals to seniors who could benefit from a nourishing meal from time to time. Some of the details include: individual "senior-size" frozen meals, FREE! Made by Uncle Mark's Kitchen using some local, fresh ingredients. Delivered regularly by McBride Pedi-Cab, or can be picked up from Uncle Mark's Kitchen, or if arranged, delivered by RVCS staff. Some accommodations may be made to food allergies. Confidentiality throughout the entire process. If you or someone you know could use this service, please call Jana at 778-764-0245, or jana@rvscbc.org. In addition to the Meals 2 Go Program for Seniors, RVCS is able to provide some emergency freezer meals for anyone who has been directly affected by the Mudslides on Mountain View Rd. If you know of someone who is in need, or would like to receive some freezer meals for yourself, please call 250-569-2266 to arrange. This service will begin on Monday, July 13th.

COMMUNITY MARKET NEWS

McBRIDE COMMUNITY MARKET is now open on Fridays from 11am to 2 pm in the Pavilion at Main Street and Second Avenue. We welcome you to shop for locally made and grown vegetables, foods, crafts and plants. Certain rules will apply to conform with Covid Health guidelines. The usual hand sanitizing, six foot distancing and masks for close conversations. A traffic pattern and optimum number of shoppers will be in effect. But we're all getting used to these minor annoyances. VENDORS must book their tables during the preceding week as Covid requires spacing that lowers the number of tables available. No drop-in Vendors will be permitted. Reserve your space by calling direct to Jackie Edwards at 569-7101. Do not depend on word of mouth or contact through a third person or you may be disappointed. For questions not involving booking a table an alternate contact is Dorothy Simpson 569-3343. We look forward to providing quality products again this summer.
