Everyone is welcomed to attend meeting.

Fire Prevention Week October 4-10. This years theme Kitchen Fire Safety. Did you know Cooking is the leading cause of home fires and home fire injuries. The leading cause of fires in the kitchen is unattended cooking. •Stay in the kitchen when you are cooking. •Don't leave your house to do errands. •Keep anything that can catch fire away from your stovetop. It is that time of year again. With the cooler weather, some of us are beginning to fire up our wood stoves and fireplaces. When was the last time you had your chimney cleaned or inspected? Most chimney fires happen because the chimney has not been properly maintained. To avoid chimney fires, use only dry, well-seasoned wood in a fireplace, and use small amounts. It is also recommended that chimneys be inspected and serviced by a professional as needed, preferably at the beginning of the burning season. Working smoke alarms saves lives. How many detectors do you have in your house? One on every floor. Are you looking for a rewarding volunteer opportunity? We are NOW RECRUITING! Join a fantastic team of community driven folks from right here in the Valley. Challenge yourself and learn some incredible skills. We meet Monday's 7pm at the Fire Hall. Check out our Facebook Page McBride Fire Rescue for more information on Fire Safety.

The McBride Community Foundation Committee will be accepting the Fall Grant applications up to \$1,000 from registered charities for projects that will benefit the Robson Valley community. Applications are available at the Village of McBride office, 100 Robson Centre or online from the Village of McBride's website and must be submitted no later than 4 pm on Friday, October 16th, 2020.

RVCS NEWS UPDATE

Robson Valley Community Services Homeschool Support Survey

- We have important questions for those who have decided to homeschool, or who were already home schooling and are continuing to do so. We would love your input. Please consider filling out a short survey on your need for additional supports throughout your Home schooling experience. The survey should take no more than a couple minutes of your time, and is completely anonymous. Go to this website for the survey: <https://www.surveymonkey.com/r/B8PF882>. Paper copies are available at each RVCS office.

National Family Week - 1st week of October - At RVCS our Child, Youth and Family Support Worker can assist families in working towards a stable and healthy foundation for the home environment. To connect with our Child, Youth & Family Support Program, and to learn more about what services we can offer, please contact: Ada at our Valenmount office or Sara at our McBride office. Call 1-844-324-2004.

Family Place Drop in Program - McBride Activities - Wednesdays from 9AM-12PM. Meet at RVCS, in the front yard to join in the activities below. (Unless otherwise stated). Contact Charlene @ 778-763-1329 to register.

Oct. 14th - Fall Craft.

Oct. 21st - World Food Day. Bring along a favourite recipe, maybe one that stems from your culture.

Oct. 28th - Halloween craft & theme. Come along in costume. World Food Day - In honour of World Food Day on October 16th, RVCS, the McBride Library, and our Food Literacy Program will compile an eclectic collective of recipes from all around the world. Please consider sharing a favourite recipe that highlights your family's beloved culture and traditions. You may email submissions to any@rvcsbc.org, drop off recipes in person at either RVCS location, or at the McBride Library. Credit will be given to those who submit selected recipes. Look for cookbooks to be available in early December, just in time for Christmas!

October Waste Reduction Week - "Food waste is estimated at 31 Billion dollars per year in Canada. Approximately 47% of food that is wasted is at home." (wrcanada.com) this is a relevant topic for our Food Security Program at RVCS because practising food rescue can do so much to decrease the impact of food waste. We have partnered with Second Harvest, a Surplus Food Rescue Company, to distribute food to the entire Robson Valley. We will distribute food in a barrier-free setting, to anyone who requests it. We will work collaboratively with other community organizations and groups that are helping to improve food security, by sharing resources and rescued food. For questions or more information, please call Jana at 778-764-0245 or email jana@rvcsbc.org. For tips and tricks on how to decrease your household waste, please contact Amy @ any@rvcsbc.org or call 1 (778) 763-1319. During the week of Oct. 19-25, look for posts on Facebook with more information on Waste Reduction.

Tech Café - Join us for Tech Café towards the end of October (dates to be announced shortly). Tech Café provides residents with the opportunity to have their technology-related concerns addressed, along with assistance in navigating platforms on their personal devices. Clients are encouraged to bring their own devices and masks are required. One-on-one bookings are available in 15 minute time increments. Please email jill@rvcsbc.org or call 778-763-1330 for more information.

CYMH Youth Drop In: October 20th: This is a virtual youth drop in (ages 13-17) to support youth mental health. This is a bi-weekly program that will be happening until December. This will be an interactive, safe space to talk about mental health, including things like stress, managing anxiety, healthy relationships and coping skills. Some sessions will be structured with themes and others will be a chance to just connect and socialize with other youth in the community. The Drop in will utilize aspects of Solution-Focused Approaches to real life challenges. Each week will be a little different but will overall work to promote youth awareness of and access to mental health services within their community, while fostering a safe space to continue to connect with peers during a challenging a new time in our world. The focus will be on supporting and building resiliency skills within teens. Contact Jessica or Laura at 1-844-324-2004, or email: events@rvcsbc.org to request the ZOOM link and password.

COMING SOON...
