FHIA is developing a list of interested potential employees to do work on the Goat River Trail this summer and next. Dates and length of employment currently unknown. This is made possible by a generous grant from the Government of BC through the Community Economic Recovery Infrastructure Program (CERIP). To be considered, individuals must be physically fit, willing to camp, hike and work long hours, and be comfortable in the wilderness. Brushaw and chainsaw operation capability will be viewed positively, as will carpentry and building skills. Resumes can be emailed to roy@fraserheadwaters.org, with the subject, "Trail Crew." Only successful applicants will be notified.
