**Car Care Workshop - March 28** from 12:00-2:30pm. Are there maintenance tips that can help you to overcome the new-age of complex and intimidating vehicles? Yes, this Basic Vehicle Care Class will show you how to inspect your vehicle on a regular basis and is a great way to keep up on basic maintenance. When you familiarize yourself with the process, it will make it easier to keep your vehicle in tip top shape. It can also prevent small repairs and quinks from becoming bigger problems that can burn a hole in your pocket. This Class will teach you skills to help you identify and recognize when to take your vehicle to a professional; which will help you feel more confident, less overwhelmed by vehicles. Contact Charlene to sign up for this class in McBride. call 250-569-2266 or email [charlene@rvcsbc.org](mailto:charlene@rvcsbc.org)

The Robson Valley Connections Program (RVCP) will link seniors in small rural communities across the Robson Valley, by using digital platforms such as ZOOM to provide senior specific workshops which increase digital literacy. Virtually, we will provide resources and training opportunities to enhance social and physical well-being. <https://www.surveymonkey.com/r/WLKM2B> Fill out our survey on-line or pick up a paper copy from RVCS, to tell us about your digital literacy skills (or lack thereof!) and needs. Then... enter our Digital Device Distribution Essay Challenge, telling us how you or another senior would benefit from a Samsung Galaxy Tablet. 5 Participants will be selected across the Robson Valley, to receive a Tablet (!) based on the following: those who do not currently have an electronic device, no wi-fi/data, and those who demonstrate a high need for social interaction due to: geographical isolation, not driving, & few supports (i.e. family and friends). If you have further questions, call Jana at 250-569-2266 or email [jana@rvcsbc.org](mailto:jana@rvcsbc.org)

**Earth Day Community Clean Up - On Thursday, April 22**, we celebrate Earth Day, and many of our community members will be out tidying the streets of McBride, by collecting trash and debris.
