HAPPY LONG WEEKEND!!
IN LOVING MEMORY

Graveside Service for Mike Mynio

May 22, 2021 at Iliam McBride Cemetery with 50 people in attendance Covid protocols in place with Social distancing and Masks mandatory. A walk through memorial table will be set up at the Mynio home from 2pm till 4pm for members of the community to come by and sign a guestbook. Covid protocols in place with Social distancing and Masks mandatory.

Mike was born April 24, 1936 and passed away October 28, 2020. He is survived by his wife Florence, daughter Joyce (Harlen) son Dan (Jody) and grandsons Logan and Sawyer. Mike came to McBride in 1956 and found work along with his brother John at CN Rail. He met Flo in 1957 and they were married in 1958 making McBride their home and raising two children. He was employed at various jobs until finding work at the local veneer plant in the early 60's and remained there for 37 years until retirement. He will be remembered for his firm handshake and love of music, both listening and playing. He had a passion for his guitar, harmonica and yearly garden. He always seemed to have a "nickname" for everyone and loved watching sports with the occasional bet being made. Mike will be greatly missed by his family and friends. Memorial donations can be made in his memory to Elks and Royal Purple Fund For Children (McBride) or the Canadian Cancer Society.

RVGS NEWS UPDATE

Family Place Drop In - Family Place Drop In Program Wednesdays from 9:00-12:00. If you have questions, are looking for parenting resources, or just need to chat, you can join us virtually or in person. Call to pre-register for any of the events below, and for more information. McBride - Charlene 250-569-2266.

The Robson Valley Connections Program (RVCP) will link seniors in small rural communities across the Robson Valley, by using digital platforms such as ZOOM to provide senior specific workshops which increase digital literacy. Virtually, we will provide resources and training opportunities to enhance social and physical well-being. <https://www.surveymonkey.com/r/WLKM2B> Fill out our survey on-line or pick up a paper copy from RVCS, to tell us about your digital literacy skills (or lack thereof!) and needs. Then... enter our Digital Device Distribution Essay Challenge, telling us how you or another senior would benefit from a Samsung Galaxy Tablet. 5 Participants will be selected across the Robson Valley, to receive a Tablet (!) based on the following: those who do not currently have an electronic device, no wi-fi/data, and those who demonstrate a high need for social interaction due to: geographical isolation, not driving, & few supports (i.e. family and friends). If you have further questions, call Jana at 250-569-2266 or email jana@rvcsbc.org

Robson Valley Entertainment Society Update

Recently all the TV and radio channels have been on again-of again with annoying regularity. Occasionally this has been weather related, but more commonly it has been caused by low voltage to the transmitter site. The reason for the sudden voltage drop is still a mystery, but the various agencies involved are aware of the problem. The society draws power from a nearby Telus site, therefore Telus must investigate. Earlier this winter the underground power line to the Telus tower was damaged and the TV site was without power for a week, while Telus used its generator to maintain phone service.

The sites are only accessible by snow machines, which complicates repairs. When the snow has gone from the site, we hope to install some remote access equipment which would allow for the channels to be re-set remotely rather than have someone attend the site each time there is a problem. The most immediate problem, that of low voltage, is being dealt with; bad weather is beyond anyone's control. Submitted by Tony Rykes
