SCHOOL NEWS

Grades 5/6/7 Land Acknowledgement and Stewardship Art Project. Project Rationale: Canada is a nation of diversity - socially, culturally and ecologically. Ecologically, Canada is blessed with unique and distinct landscape regions. Each has its own unique natural features and climate; and each supports its own distinct species of animals and plants. As the journey towards reconciliation continues, and we strive to fulfil the Truth and Reconciliation Commission's (TRC) calls to action, it is important that we continue to build relationships and engage in ongoing education. Reconciliation and allyship is a continuous process and one that we all need to engage in fully. With this in mind, we must take every appropriate opportunity to acknowledge the traditional territory on which we reside. Acknowledging the traditional territory expresses respect, gratitude and appreciation of the Indigenous peoples who have inhabited and continue to live on the land. It is recognition of their presence both in the past and the present. Recognition helps to create a welcome and safe environment for all. Stewardship is the recognition of our collective responsibility to retain the quality and abundance of our land, air, water, and biodiversity, and to manage this natural capital in a way that conserves all of its values, be they environmental, economic, social or cultural. Project: The students were grouped together to come up with what they imagine a sustainable environment to look like. They could choose any environment - a close up or a wider lens of a biome/ecosystem for a stained-glass art project. Please show your support by dropping into the Valley Museum and Archives next to the McBride and District Library to check out the creative pieces of the 5/6/7 class. If interested in an art piece there will be a silent auction open to the public until March 30. Funds, raised, will go towards cultural performances and school art projects.

McBride Secondary Community School Use. Community Use of SD57 Indoor Facilities will resume Monday, March 28th. All participants will be required to sign-in and show organizer proof of vaccination. All spectators will be required to wear masks. If you are interested in organizing a Community Activity e.g. Pickleball, Basketball, Badminton etc., please come into the school and fill out a "Use of School Facility" form. If you have any questions, please call 250-569-2295. Thank you to the McBride Community Forest for covering the necessary liability insurance.

McBRIDE ELKS AND ROYAL PURPLE FUNDRAISER:

McBride's past and present community members; the long-standing Elks and Royal Purple Club is in dire straits and are seeking to generate financial support for the club. The duel organization has supported many local non-profit groups throughout the past several years, with approximately \$200,000.00 coming from applied Community grant funds and other means. But now the Elks and Royal Purple needs the community's support. Due to the age of our building, there has been some much-needed renovations; such as a new heating system and wheelchair accessible doors installed to bring some things to code. We applied and received grants for some of this, however the overall cost was higher than what we received. Along with monthly/annually expenses of running the building and with very little revenue coming into the building due to COVID we are stretched to our limits. Our main fundraiser for the operation of the building has always been Pioneer Days. Since COVID restrictions has not allowed us to run the event for the past two years, our coffers are at an all time low and we need an influx of cash, hoping that this June's Pioneer Days will allow us to stay afloat! With that said The Elks and Royal Purple are planning a dinner and silent auction on April 9, 2022. (Whatever current COVID protocols will be in affect) We would like all artisans, crafters, home-based businesses, local companies/businesses/merchants and community members to help us reach this goal by donating an amazing item, supplying a cash donation and/ or supporting the cause by buying dinner tickets and bidding generously on the silent auction items. If you are interested in supporting us with items or a monetary donation, please contact: Tanya 250-569-7788, Carrie 250-569-7430 or Kai 250-455-0232. Dinner ticket information to follow soon - date, time and place cost.

ELKS & ROYAL PURPLE NEWS

ELKS AND ROYAL PURPLE NEEDS YOUR HELP FOR PIONEER DAYS! We are planning Pioneer Days for June 3-5th this year. Already we have a few events that are scheduled but it will be sealed down due to the short timeline. If you would like to host an event or volunteer at an event, food booth, face painting, etc., it would be greatly appreciated. Also looking for musicians to play in the park. If you can help in any way, please contact Kathy Molendyk at 250-569-7201. If you are interested in helping with the Food Booth, please call Bev McLennan at 250-569-7634.

We Could Use Help: Like most organizations these days, we are suffering severely financially, due to the inability to hold Pioneer Days for the past two years. For some support, we have arranged with the Return It can and bottle depot for returns there to be credited to the Elks/Royal Purple accounts. Labels can be picked up from Fran Chupka at Welcome Home, or from Kathy Molendyk at the high school. Just punch in the PIN number of 377235 when making your drops; and thank you very kindly for your support!
