## News Release

July 29, 2022

### BOIL WATER NOTICE & WATER CONSERVATION NOTICE RESCINDED EFFECTIVE IMMEDIATELY

The Village of McBride is pleased to report the BOIL WATER NOTICE and WATER CONSERVATION NOTICE issued on June 17th for the Community Water System in response to elevated turbidity have both been rescinded effective Friday, July 29, 2022 at 12:00 PM.

Water samples from the Community Water System confirm that turbidity levels in the water are within acceptable levels and the water is safe to drink.

As such, Northern Health has lifted the Boil Water Notice.

In addition, water levels are sufficient to remove the Water Conservation Notice.

The Village recommends that residents and business run their taps for 2-3 minutes prior to drinking.

The Village of McBride thanks residents and business owners for their patience and understanding.
