CORPORATION OF THE
 VILLAGE OF MCBRIDE

July 26, 2022

BOIL WATER NOTICE & WATER CONSERVATION NOTICE STILL IN EFFECT

TO ALL VILLAGE OF MCBRIDE RESIDENTS
 AND BUSINESSES

In consultation with the Drinking Water Officer of the Northern Health Authority the Village of McBride is hereby issuing a "Boil Water Notice" pursuant to Section 14 of the Drinking Water Protection Act. In addition, the Village is also issuing a Water Conservation Notice to reduce water usage and preserve the existing supply of water. Warmer temperatures and rain have kicked off spring freshet conditions, and have resulted in rising turbidity in Dominion Creek.

AREA OF APPLICATION

This Boil Water Notice applies to all users of the Village of McBride water supply system (Operating Permit #2098) and must followed by all persons using water from this system.

REASON FOR NOTICE

This Notice is issued as a result of the drinking water officer requesting an order in accordance with the directions of Northern Health, if in accordance with section 14(1)(c) of the Drinking Water Protection Act, the drinking water officer considers that there is, was or may be a threat to the drinking water provided by a water supply system. Effective June 17, 2022, until Further Notice
