MCBRIDE AND DISTRICT HOUSING SOCIETY AGM. Our AGM will be held on Thursday, September 29, 2022 at 6:00pm in the Robson Valley Community Hall. All interested persons are welcome to attend.

Valley Museum & Archives presents author Ben Bradley amongst current exhibit, *Are We There Yet? Stories from Highway 16*, Saturday, October 1 at 1pm at 521 Main St, McBride (Museum entrance behind the library). The Robson Valley was one of BC's last regions to be connected to the provincial highway network. The completion of Highway 16 East in the late 1960s brought modern "car culture" to the valley in dramatic fashion, with high-speed traffic, auto tourists, and the ability to travel on one's own timetable bringing significant changes to the economy, landscapes, and residents' everyday routines. More than 50 years after "the highway" was opened, this presentation considers some of the changes it brought to the valley, and asks how to more fully account for this relatively recent history. Ben Bradley teaches Canadian history at UNBC, and is the author of the book *British Columbia by the Road: Car Culture and the Making of a Modern Landscape* (2017).

McBride Big Country Snowmobile Association is having our annual AGM meeting on October 4th at 6:30pm. Location will be at Welcome Home on main street. Everyone is welcome to take part in our discussions. Meet and greet our committee that wants to increase snowmobile knowledge in our community. We would love your input of how to improve, please join us.

COMING EVENTS

Two Rivers Gallery Regional Outreach Exhibition - Immigration: A Conversation. SHOWING IN McBRIDE September 8 - October 4. 521 Main St. at the VALLEY MUSEUM & ARCHIVES. Immigration is a complex and redefining process that represents many different things to many different people. It may mean the anticipation of a new life, and it may bring a deep sense of loss. New systems and languages, discrimination and dismissal, separation from family and friends, and new cultural identities only begin to scratch the surface of the challenges that immigrants might face. Artists from across BC explore the challenges, accomplishments, and aspirations related to immigration and its impact individually, culturally, and nationally. DO YOU HAVE SOMETHING TO ADD TO THE CONVERSATION? Share a local immigration story or photo: curator@valleymuseumarchives.ca or call BRIDGET 250-569-3000.

The sale of properties will be conducted in accordance with the following terms and conditions:

The announced upset price is the minimum price acceptable and will be the starting point of the bidding on each property. The highest bid above the upset price will be accepted.

Any person upon being declared the successful bidder must provide their name and address and immediately pay by cash, interac, or certified cheque the amount of the successful bid amount. Failure to pay this amount will result in the property being offered for sale again.

The Village of McBride makes no representation express or implied as to the condition or quality of the properties being offered for sale. Prospective purchasers are urged to make all necessary inquiries to applicable government departments and in the case of strata lots to the strata corporation, to determine the existence of any bylaws, restrictions, charges or other conditions which may affect the value or suitability of the properties.

The purchase of a tax sale property that is not redeemed is subject to tax under the Property Transfer Act on the fair market value of the property at the end of the one-year redemption period.

NOTICE TO RESIDENTS AND BUSINESSES
Sewer Flushing starts
Saturday September, 24, 2022 to
Tuesday October 4, 2022

Sewer cleaning and inspections will be completed in McBride by Northern Lights, from Saturday, September 24, 2022 through Tuesday, October 4, 2022.

Cleaning and inspections keep the sewer system operating efficiently by:

- Helping to prevent blockages and backups;
- Removing built-up debris such as roots, grease, grit, and sand;
- Determining the condition of the sewer for repair and replace as necessary.

Cleaning is done with a high pressure nozzle to flush water down the sewer. This can cause water to splash out through toilets, sinks, and drains. **The Village asks that residents cover toilet bowls with plastic-wrap, close the lids on all toilet bowls and insert plugs into all sinks and bathtubs between Saturday, September 24 – Tuesday, October 4, 2022.**

For the safety of the Public and crews, please remember that equipment has the right of way. We ask that residents use caution around equipment, choose an alternate route and please watch for signage.

Thank you for your patience and understanding while this work is being completed.

Please visit our website www.mcbride.ca or Facebook page for Upcoming Street Schedule.
