**Valley Museum & Archives** presents author Ben Bradley amongst current exhibit, *Are We There Yet? Stories from Highway 16*, Saturday, October 1 at 1pm at 521 Main St, McBride (Museum entrance behind the library). The Robson Valley was one of BC's last regions to be connected to the provincial highway network. The completion of Highway 16 East in the late 1960s brought modern "car culture" to the valley in dramatic fashion, with high-speed traffic, auto tourists, and the ability to travel on one's own timetable bringing significant changes to the economy, landscapes, and residents' everyday routines. More than 50 years after "the highway" was opened, this presentation considers some of the changes it brought to the valley, and asks how to more fully account for this relatively recent history. Ben Bradley teaches Canadian history at UNBC, and is the author of the book *British Columbia by the Road: Car Culture and the Making of a Modern Landscape* (2017).

**McBride Big Country Snowmobile Association** is having our annual AGM meeting on October 4th at 6:30pm. Location will be at Welcome Home on main street. **Two Rivers Gallery Regional Outreach Exhibition - Immigration: A Conversation. SHOWING IN McBRIDE** September 8 - October 4. 521 Main St. at the VALLEY MUSEUM & ARCHIVES. Immigration is a complex and redefining process that represents many different things to many different people. It may mean the anticipation of a new life, and it may bring a deep sense of loss. New systems and languages, discrimination and dismissal, separation from family and friends, and new cultural identities only begin to scratch the surface of the challenges that immigrants might face. Artists from across BC explore the challenges, accomplishments, and aspirations related to immigration and its impact individually, culturally, and nationally. DO YOU HAVE SOMETHING TO ADD TO THE CONVERSATION? Share a local immigration story or photo: curator@valleymuseumarchives.ca or call BRIDGET 250-569-3000.
