Two Rivers Gallery Regional Outreach Exhibition - Immigration: A Conversation. SHOWING IN McBRIDE September 8 - October 4. 521 Main St. at the VALLEY MUSEUM & ARCHIVES. Immigration is a complex and redefining process that represents many different things to many different people. It may mean the anticipation of a new life, and it may bring a deep sense of loss. New systems and languages, discrimination and dismissal, separation from family and friends, and new cultural identities only begin to scratch the surface of the challenges that immigrants might face. Artists from across BC explore the challenges, accomplishments, and aspirations related to immigration and its impact individually, culturally, and nationally. DO YOU HAVE SOMETHING TO ADD TO THE CONVERSATION? Share a local immigration story or photo: curator@valleymuseumarchives.ca or call BRIDGET 250-569-3000.
