Tourism Stakeholder Survey

Activate Tourism McBride Initiative - attention Robson Valley Tourism Stakeholders

The Village of McBride Tourism Committee has embarked on an ambition process to implement the McBride Tourism Strategy through the "Activate Tourism McBride" Initiative. The Activate Tourism McBride project will help build the economic capacity of the local government to support economic diversification focused on growing the tourism sector in and around McBride. The project aligns with Council's strategic goals to promote a positive business environment by facilitating a diverse economy with a stable workforce. Growing the tourism economy in and around McBride will address what has been identified as both a community need and an opportunity - to foster economic diversification and community resilience.

If you could take a few moments to compete the Activate Tourism McBride Stakeholder Survey and help build Tourism McBride it would be very much appreciated.
