Each participating child gets a logbook, to track their reading progress (with weekly stickers for completion!) and bookmarks. We will be running a series of weekly challenges for kids - and parents - to try. This year, to make it even more fun, we will be assigning everyone a House: the four houses are as follows: House of Unicorn, House of Mer, House of Dragon and House of Griffin. Reading logs are available at the library now; when you collect a reading log, you are assigned to a House! Children and parents will generate House points by completing weekly challenges, and their reading logs. The House with the most points at the end of summer will have the medal ceremony party decorated in their honour! We will have weekly prize draws too, and lots of prizes for kids of all ages.
