HOSPITAL AUXILIARY NEWS

Recently the McBride and District Hospital Auxiliary
donated \$25,000 towards the purchase of a new ultrasound
machine. This purchase was requested by Dr. Burien and
our HSA at the time, Kim Nordli. Why was this purchase
so important? Well, to begin with the old one was...old.
As well, the use of ultrasound testing is becoming standard
for evaluating patients with various issues. Grads from med
school now have ultrasound training. As we are rural and
remote, we don't have advanced imaging available, so the
ultrasound will help with decision making such as to send
or not send a patient to a larger centre. The ultrasound
will also allow a physician to start stabilizing treatment
before transfer to such a centre. This ultrasound will
definitely improve diagnosis and treatment of members of
our community as well as others who may passing through
and have need of our hospital.

It is important to note that physicians will still require
patients to go to a larger centre for more detailed ultrasounds.
Also important to note that this donation was possible due
to the generous members of our community who support
our fundraisers and make individual donations and the
Regional District of Fraser-Fort George who approved our
grant request of \$5,000.

Please contact **The Little McBride Paper** with all coming events,
news, trivia, comments, etc!! Phone: 250-569-3110, email:
contact@fpas.ca, P.O. Box 441, McBride, B.C. V0J 2E0 or drop off
at 455 King St. If we don't know about it, we can't inform the
public about it! And check out our website www.fpas.ca.
