German Language Program - Join Lilly on Wednesday mornings for German Conversation Club! From 10-11:30am. A fun way to learn a language; all levels welcome.

One-to-one help - Provided by our Literacy Outreach Coordinator, Cathy. Cathy can help with forms and other paperwork, or internet queries, etc. Every second Wednesday morning, from 10:30am-12pm. Do you know someone who would like to be read to? Not all books have been made into audiobooks, but Cathy can read any favourites to interested adults or children. Please call us for details or to set up an appointment.

D&D for Teens - Tues. 3:30-5pm. Ages 12-18. Please call for details: 250-569-2411.

Sunshine Stories - Every Thursday 10:30-11:00am. For 0-5s and caregivers; songs, stories and fun! In partnership with Decoda Literacy Solutions/Literacy Task Group.

Weekly Adults' Programs - Fibre Artists Knit & Crochet Group (Wed., 10am) - beginners welcome; Writing Group (Fri., 1:30pm). Call 250-569-2411 for details of either program.

BC Summer Reading Club - A free literacy program designed to engage school-aged children, ages 5-14, with libraries and reading, throughout the summer. Each year has a different theme: this year's theme is World of Curiosities. Each participating child gets a logbook, to track their reading progress (with weekly stickers for completion!) and bookmarks. We will be running a series of weekly challenges for kids - and parents - to try. This year, to make it even more fun, we will be assigning everyone a House: the four houses are as follows: House of Unicorn, House of Mer, House of Dragon and House of Griffin. Reading logs are available at the library now; when you collect a reading log, you are assigned to a House! Children and parents will generate House points by completing weekly challenges, and their reading logs. The House with the most points at the end of summer will have the medal ceremony party decorated in their honour! We will have weekly prize draws too, and lots of prizes for kids of all ages.

Summer Book Bingo - Back this year, our reading program for adults. Pick up a "bingo card" and play along. There will be a prize winner at the end of the summer, and this is also a way to earn House points.

Wacky Wednesdays Summer Activities - starting 3rd July, our summer program for kids will be on Wednesday afternoons this year. Games, activities, learning, and lots of fun! Kids aged 5-8 are welcome to join us from 1-2pm; kids aged 8-13 from 3-4pm. Speak to a member of staff for more info. We have three special science workshops this year offered by 'Scientists in School' on 17th July, 7 August and 17 August - places are limited for these workshops, and children must be registered to attend. All materials will be provided free of charge. There will be one combined session in these weeks for children of all ages, from 1-2pm (no 3-4pm session). Drop in at the library for details of these workshops, check our website, or call us.

Back at Creation, in the garden of Eden, God told Eve she would surely die if she ate of the forbidden tree. Satan told her she wouldn't surely die. Why do most of the Christian world believe Satan's lie for it gives masquerading demons access to them?
