## HOSPITAL AUXILIARY NEWS

Exciting news! The bariatric bed has arrived. What is a bariatric bed, you ask? It is a heavy duty bed built for larger patients (taller and/or heavier). The Hospital Auxiliary has donated \$8,000 towards this purchase. Financial support for this bed was requested more than 4 years ago, but Covid and changes in personnel and lack of inventory were just some of the reasons for the delay. We are so pleased that this new piece of equipment is now available at the McBride and District Hospital and as always, so pleased with the continued community support!

NOTICE TO RESIDENTS AND BUSINESSES  
Sewer Flushing tentatively to start

Tuesday, Aug. 6th, 2024 - Friday, Aug. 16th, 2024

Sewer cleaning and inspections will be completed in McBride by Northern Lites Technology Ltd., tentatively from Tuesday, August 6th, 2023 through Friday, August 16th, 2024. Map forthcoming. Cleaning and inspections keep the sewer system operating efficiently by:

- Helping to prevent blockages and backups;
- Remove built-up debris such as roots, grease, grit, and sand;
- Determining the condition of the sewer for repair and replace as necessary.

Cleaning is done with a high-pressure nozzle to flush water down the sewer. This can cause water to splash out through toilets, sinks, and drains. The Village asks that residents cover toilet bowls with plastic-wrap, close the lids on all toilet bowls and insert plugs into all sinks and bathtubs between Tuesday, August 6th, 2024 - Friday, August 16th, 2024.

For the safety of the Public and crews, please remember that equipment has the right of way. We ask that residents use caution around equipment, choose an alternate route and please watch for signage.

Thank you for your patience and understanding while this work is being completed.
