McBride Tourism Update

A new digital outdoor guide featuring the best of what McBride has to offer visitors will be launching soon at www.mcbridetourism.ca. Featuring local photography and stories, **McBride Alive** recommends local businesses and guided experiences, and encourages visitors to shop, eat, and stay overnight in McBride. The guide will be a launching point for community marketing and promotion in 2025, with goals to increase visitation and support growth of the tourism sector locally. Stay tuned for more details!

To complete a knowledge test, please call the Village Office to book an appointment. On test day, remember to bring in 2 valid pieces of ID! If you are under the age 19, you must have a parent/legal guardian complete a form prior to testing.

New ICBC Testing System

At the end of 2024, ICBC installed a computer testing system for knowledge tests. It is now fully operational!

Along with the touchscreen questions and answers, there is optional audio supplied through the headphones and a choice for a larger font, making tests clearer and more accessible.
