CELEBRATION OF LIFE
Jean Claude (John) Rivard
January 15, 1962 - December 7, 2024
John was born in Sarnia Ontario, from there at an early age (12) he moved to St. Catharines, Ontario. He met new friends (lifelong buddies) attended school while living with one of his older sisters and her family. With a pack of Best Buds, they travelled out West in 1980 for work, that's where he met his life long Partner Penny. We left the West and travelled back to Ontario, where we ventured the back

roads and fished along the way. John decided he wanted a work trade, so he challenged his grade 12 and aced it, then attended College for his Millwright apprenticeship where he was the top of his class. Prior to 2003, the Mountains were calling us once again, so we packed up and moved to BC. We couldn't have picked a better place here in McBride to call home. John's passion was the love of Music, learning to play the guitar and Fishing. He jammed with a few locals here in McBride, and helped create our local Band, The Roadside Splinter. John was sport orientated and played years of Baseball, Hockey, Darts and Golf. He cherished 'Riding in the Wind'. John was predeceased by his Father, Mother, older brother, sister-in law, 3 brother-in laws, 3 nephews and 2 nieces. John faced his illness with grace and determination and if it wasn't another obstacle that had gotten in his way, he would have kicked butt with the cancer. He leaves to mourn his wife of 42 years Penny, his God Daughter and her family, two older sisters, a younger brother and sister and all of their families and many friends here in BC and Ontario. Please join us in a celebration of his life, Saturday, May 31, 2025 at 11:00am IN the Elks hall, light refreshments served.

"Growing up in the community of Dunster, I was drawn to the beautiful, natural spaces (and especially plants) around me from a young age. After finishing high school in McBride, my love of gardening and plants led me to complete a horticultural training program at Camosun College in Victoria, followed by a BSc. in biology through UNBC. I currently work as an environmental educator for the Recycling & Environmental Action Planning Society (REAPS) in Prince George, where I get to pass on my love of plants, nature, and sustainable living to community members of all ages." They meet at 172 Holdway Street, McBride every 1st & 3rd Tuesday of the month at 7:00 p.m. (ex. July/Aug.). We **do not** have a membership fee and it's not necessary to attend all meetings!
