**The sale of properties will be conducted in accordance with the following terms and conditions:**

The announced upset price is the minimum price acceptable and will be the starting point of the bidding on each property. The highest bid above the upset price will be accepted.

The final determination as to the successful bidder will be made by the Collector who will keep a sales record which shall be conclusive in all respects as to each sale.

Any person upon being declared the successful bidder must provide their name and address and immediately pay by cash, interac, or certified cheque the amount of the successful bid amount. Failure to pay this amount will result in the property being offered for sale again.

The Village of McBride makes no representation express or implied as to the condition or quality of the properties being offered for sale. Prospective purchasers are urged to make all necessary inquiries to applicable government departments and in the case of strata lots to the strata corporation, to determine the existence of any bylaws, restrictions, charges or other conditions which may affect the value or suitability of the properties.

The purchase of a tax sale property that is not redeemed is subject to tax under the Property Transfer Act on the fair market value of the property at the end of the one-year redemption period.

Jeanette McDougall,  
Chief Finance Officer
